

WARRANTY/COMPATIBILITY GUIDE

This guide provides warranty support information for 2009 thru 2014 Specialized shoes with Boa technology. Lace lengths vary depending on the Boa dial model, and whether it's an upper or lower dial (see diagram on next page). Dial colors also vary, so check carefully. Replacement dials are right- and left-specific, and also include laces, unless otherwise noted. To order the correct replacement part(s): 1) Find the shoe model below; 2) Match the platform and dial color on the next page; 3) Order spare parts on the IBD/B2B website, or directly from Boa.
